I would like to talk for a few minutes about 7 families, many of whom are here now, and their OD records. Mostly, this is about the OD 100 from 1998 going back to its first 100 in 1974, 25 - 48 years ago. However, part of my goal is to recognise recent individual and family achievements. Please note that between 1974 and 1985, we have the winners, but we haven't yet been able to put our hands on a list of ALL the participants. Of course from 1985, the records come from the AERC.

The Crandell family has been in the OD 100 at least 29 times; John II and Linda, John III, Jeff and Kathleen, Jay, and Ann Mebane

John Crandell has been in the OD 100 at least 8 times and won it at least 6 times

The (4 persons) Baird family has been in the OD 100 at least 35 times: Betty, Kevin, Frank Farmer, and Brenda Ratcliff

The Newman family, Stagg and Cheryl, has been in the OD 100 at least 21 times

Stagg Newman has been in the OD 100 16 times, and won it 6 times

The Mackay-Smith family, Matthew and Winkie, has been in the OD 100 at least 14 times

Between Matthew and Winkie, they won the OD 100 at least 5 times.

The Rojek family, Steve and Dinah, has a record of 8 for 11 in the OD 100.

The Walsh family, Bob Walsh and Teri Carroll, has a record of 6 for 8 in the OD 100.

However, one 'family', has them all beaten.

Jeannie Waldron, ONE PERSON, has been in the OD 100 at least 16 times, and has finished 13 times.

Jeannie has SO FAR won the OD 100 4 times

Let's look a little bit at the OD 100 ride in 1993. In 1993, Jeannie won in 11:57 on TF Red Rambow, the only sub 12 hour ride at the OD. This was not a fluke for her and Rambo! The next year, she and Rambow won it again in just over 12 hours! This was the old Front Royal course which, despite a misconception, was a slower course if you looked at all the 1st place times. New Course, 6 of 11 years winning time under 14 hours; 55%. Old Course, 6 of 26 years winning time under 14 hours; 23%. In that year of 1993, there were 56 (1) riders in the OD 100, and it was a who's who of AERC;

1st Jeannie Waldron on TF Red Rambow, again, in 11:57.

Rambows OD 100 record is 2 for 2

2nd Debi Gordon on CBS Redman, who did 3500 miles and 20 100s.

Redman's OD 100 record is 4 for 4.

3rd and 4th Stagg and Cheryl Newman, on Drubin and Smoke Rise Strut.

Note that Stagg beat his wife for 3rd place.

Stagg was on Ramegwa Drubin, who did 5000 miles and 36 100s.

Cheryl was on Smoke Rise Strut, as you know, a Steve and Dinah Rojek bred horse.

While living in western US, in 1992, Stagg and Drubin did 10 (ten) 100s on Drubin in 1 (one!) year, with 7 1st.

These first three horses, Rambow, Redman, and Drubin, represented the US at the 1994 WEG, in the Netherlands.

5th Joanne Sowa on Fairfield Ariel, who had an OD 100 record of 3 for 3.

A few years later, Joanne was riding Bob Walsh's Houdini and jumped right over another rider who had fallen.

6th, 7th, & 8th were 3 great people who have since passed; Teddy Lancaster, Nancy Roebber-Moyer, and the great Maggy Price.

Between these 3 great ladies, they had about 17,000 AERC miles and an OD record of 6/6.

9th Heather Hoyns from VT on her good horse Snowdown.

Heather is 6 for 7 at the OD 100, and still kicks our butts out here.

10th and 11th Dinah and Steve Rojek, in that order (Stagg, got that?)

This was the only time Steve rode Asterix. Dinah grabbed him after that ride

12th John Crandell II (the 2nd!) on Dobal

JC II's AERC record? OD 100 5/5, OL 50/53, 100s 21/23, 4500 miles

JC II probably couldn't be here today cause he is probably working on pier job in Cheasapeake Bay

13th Susan Kasemeyer on Royal Run Amir, who had 7,000 AERC miles.

Susan is 3 for 3 at the OD 100

14th Brenda (Baird) Ratcliff on Shabazzy Flagstaf, another great horse.

Brenda is 9 for 10 at the OD 100

The amazing part is that ALL of these 14 riders got in before midnight

There are other great riders who rode more than 25 years ago, many of who may be here this weekend. Here are some of them and their OD records;

Judy Van Meter (10/11 OD, 94/97 OL, 33/36 100s, 7,000 miles)

Lynn Goleman (8/8 OD, 91/94 OL, 36/38 100s, 25 top 3s, 8,000)

Linda & John Crandell II (the second) (11/12 OD)

Lynne Gilbert (9/12 OD) Kathy Downs (from Maine!) (8/9 OD)

Meg Sleeper (6/6 OD) Pat Sagar (6/7 OD)

Doug Lietzke (5/7 OD) Bob Walsh (4/6 OD)

Tom Sites (3/3 OD) Susan Kasemeyer (3/3 OD)

Claude Brewer (2/3 OD)

7 great riders who have passed;

x Betty Baird and her brother x Frank Farmer (12/14 OD, w/ + 6,000 miles)

x Jim Baldwin (2/2 OD, w/ + 5,000 miles) x Maggy Price (2/2 OD, w/ + 7,000)

x Lawton Johnston (4/4 OD, w/ + 13,000 miles) x Pat Oliva (2/2 OD, w/ + 22,000 miles)

x Matthew Mackay-Smith (7/7 OD, 53/56 OL, 22/24 100s, w/ 6,000 miles)

Other riders back 25 + years ago who have been to the OD multiple times, with the earliest date they participated. (I apologize for missing names or inaccurate data.)

Nancy Senn ('86) Becky Hart ('87)

Nina Barnet ('89) Johanna Blackmore ('91)

Jerry Shelton (2/2) ('90) Garnet Gallant (from Nova Scotia) ('91)

Jan Worthington ('92) Amy Whelan ('92)

Wendy Mattingly ('92) Claude Brewer ('93)

Patty Pizzo (on Savaq) ('93) Kim Orr ('93)

Lani Newcomb ('94) Amanda Tayler (on Tuckers Rum) ('95)

Dana Reeder ('96) Nancy Smart ('97)

Rosie Rollins ('97)

Finally, I do want to recognize these 8 horses of many, many great horses, some of whom are on the list of OD winners, and their riders and their records
