

TRAIL USE

The Old Dominion Equestrian Endurance Organization, Inc. is very grateful to the landowners who so generously allow us the use of their land for the day of the ride.

The members of the Board invite you to join us in showing our appreciation to the landowners by respecting their land and their generosity throughout the year.

You need to know that THE ENTIRE 100 MILE TRAIL IS **NOT** OPEN FOR YOUR USE THROUGHOUT THE YEAR.

On this page, you will find maps of public training areas you may use.

We know that you will enjoy these training trails and thank you for your cooperation.
