

OUR RIDES

The Old Dominion Equestrian Endurance Organization hosts three rides in Virginia:

- No Frills
- The Old Dominion
- Fort Valley

All three of these rides are held at different base camps in Virginia and offer similar, yet unique experiences.

No Frills is held in Star Tannery, VA. The ride offers an opportunity to ride along North Mountain and for the 55-mile ride, an opportunity to ride Bucktail, Waites Run, and the Mail Trails which are part of the OD 100 mile ride. All vet checks are away from basecamp which is a great way to prepare for the OD ride.

Fort Valley is a beautiful and challenging ride up and over the Massanutten Mountains and then down to ride along a gorgeous stretch of the Shenandoah River. The ride takes you back up over the mountain to base camp. This is ridden once for the 25 mile ride and twice for the 50 mile ride. The third loop takes you along the foot hills and hay fields where there is ample opportunity to move out and to let your horse eat and drink at the frequent stream crossings. All vet checks are at basecamp.
